Tangler, Morocco, Mir 23-The RELATING TO AFFAIRS IN THIS LESSON IX, SECOND QUARTER, INTER NATIONAL SERIES, MAY 29.

> Test of the Leanur, Mail, 2221, 17-16. Memory Verses, 211-28-Golden Text,

Between the last lesson, en lomillty, and this passover lesson we have ofoit ted nearly all the events of the last deuts in the Kentucky university to up to the very last evening before Her W complete their education. He has 100 crucifixion. It seems so unsatisfactory Filipinos ranging in oge from 18 to 21 to get so little where there is so unden exhibited in St. Louis this summer poetlor of Scripture, and we bust re's and will be educated by their govern- upon the Spirit to give us all that He sees we can receive. In a sentence, let have piesed over the bealing of the blind as he entered and left Jericho. supper and anoththiz at Betlany, the puldle entry into Jerusalem, the temple clocused, the hg tree en sed, the poor widow's offering commanded and many jurables and discourses,

And the to tachthite neath apon these and upon ad Scripture. The events of mir lesson are recorded by Mark and Larke as well as by Matthew, and Larke xxll, 8, says that He sent Peter and John, saying, "to and prepare us the passover that we may cat" Then they usked Illin, "Where will Thou that we prepare for Thee to eat the passover? He seat them late the city, telling the ne that a man bearing a pitcher of water would neet them and by following bim they would that the house. Then they found as He had said and did as He bud appointed them (Mark xlv, 13 18). There is a word in Prov. ill, 5, 6, which tle iskages, the woman who killed her has been a blessing to me for full furty years, having taketchold of me when I was a young men, a clerk in a store. may the "where wift thou" of this lesson and the 'what will thou' of Acts Iv. G. be our continued stiftnde to sponse to a question from the Kea. Hinc whose we are and whom we serve tucky Farmer and Breeder August tActs axvil, 23, who has all our good Relmont has written that Lord of the works prepared for us to walk in and Valewill not be a starter in the Brook | What will guide us us surely and deal nitely us He guided the apostles or this occasion and when He sent them for the ass' colt (Luke xix, 30 52). Letters of introduction. Try not to ask for letters of Introduction to your fliends' friends. It Inconvenience. If the letter of lutroduction is offered accept it and present it dutifully. It will not be difficult to ascertain whether or not the person to whom It is addressed finds the introduction a pleasure or a bore. It is folly to pursue an acquaintance thus gained unless each finds the other congenial .-

Altitude and Voter,

Generally speaking, races living at high ultitudes love weaker and more highly pitched voices than those living la regions where the supply of oxygen is more plentiful. Thus among the Indians llvlog on the plateau between the ranges of the Andes, at an elevation of from 10,000 to 14,000 feet, the men bave volces like women, and wousen like children, and their singing is a shrlll monotone.
